

Thai BIM synthetic 6x4 | A101 | Floor plan

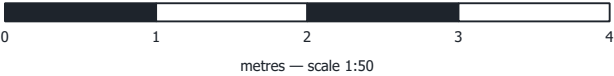

MODEL-BASED COORDINATION DRAWING | 1:50 | Dimensions: mm / Levels: m

Automatic dimensions: grid spacing and source model extents. Add member/opening dimensions in Composer.

Grid/levels: user project input. Model edits require explicit sheet review and update. Print at 100% actual size.

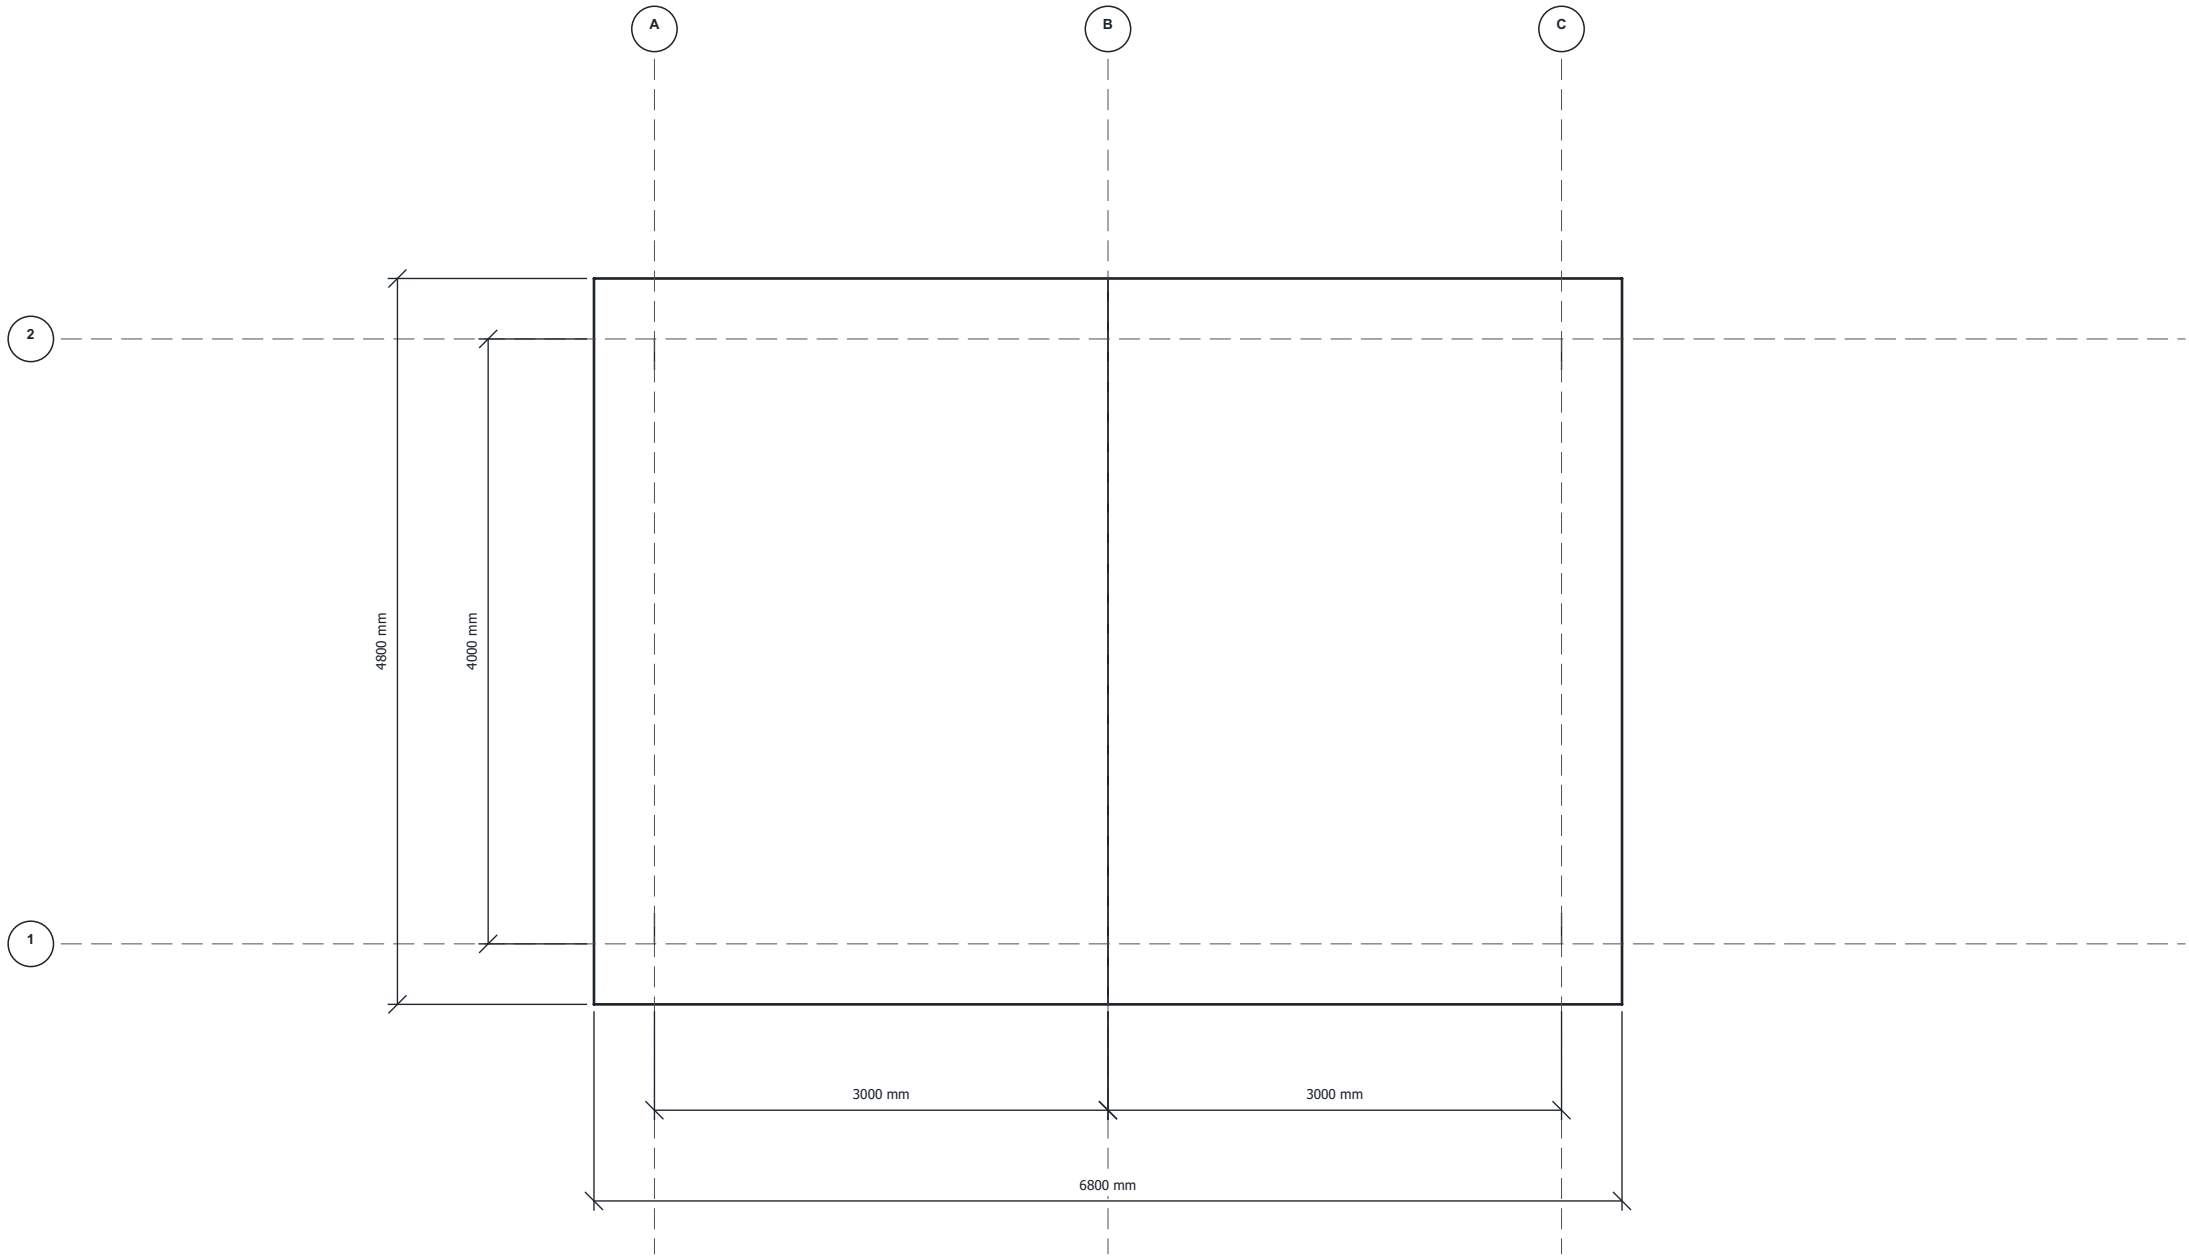

Scale check: 1 m = 20 mm on paper

PROJECT	Thai BIM synthetic 6x4	DATE	2026-10-04
DRAWING	Floor plan	REVISION	02
SHEET	A101	AUTHOR	Thai BIM Test
SCALE	1:50 @ A3	STATUS	FOR COORDINATION

Thai BIM synthetic 6x4 | A102 | Roof plan

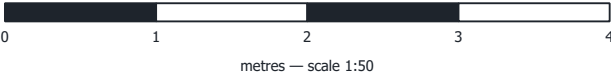

MODEL-BASED COORDINATION DRAWING | 1:50 | Dimensions: mm / Levels: m

Automatic dimensions: grid spacing and source model extents. Add member/opening dimensions in Composer.

Grid/levels: user project input. Model edits require explicit sheet review and update. Print at 100% actual size.

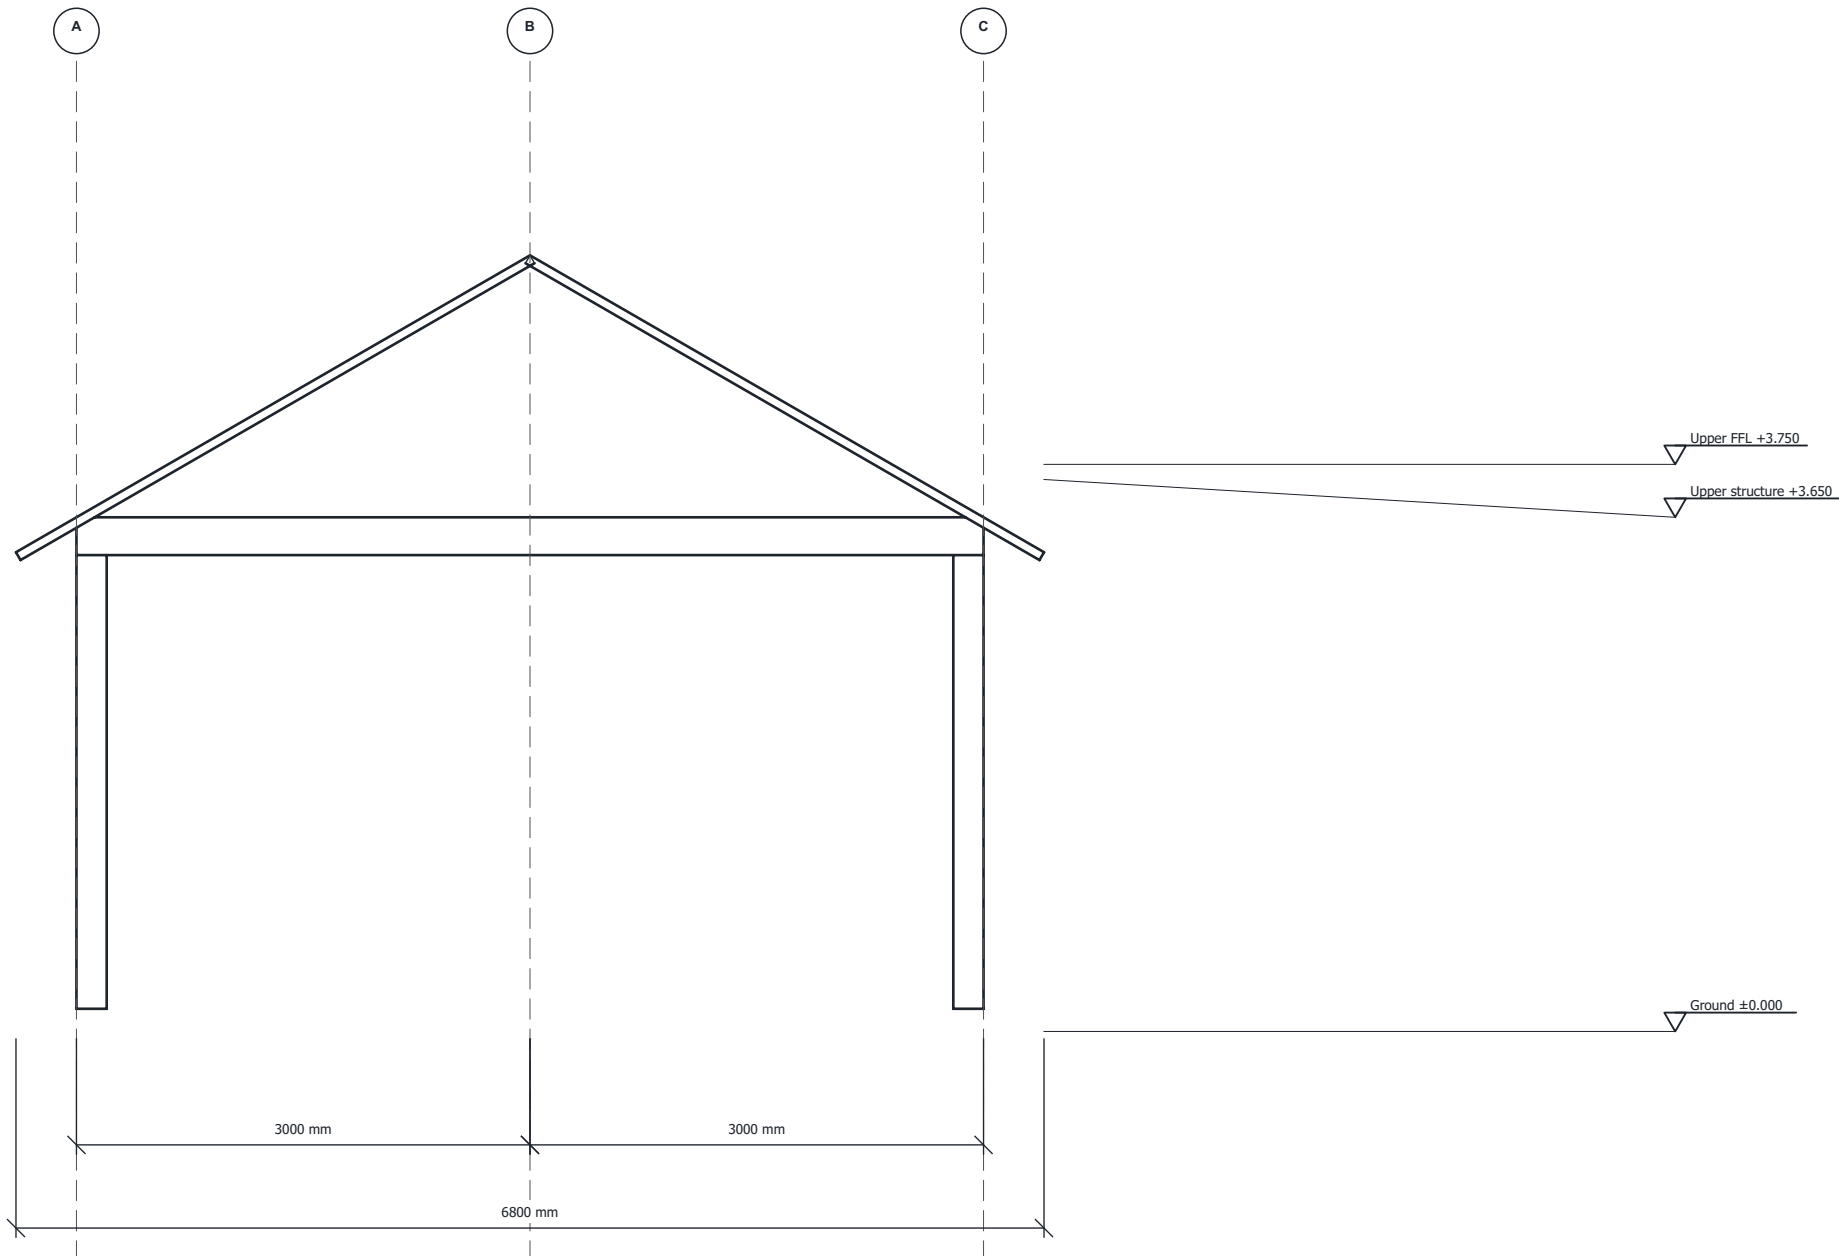

Scale check: 1 m = 20 mm on paper
